

The School Payment Network

Audience: Website Administrators, Faculty/Staff

SchoolFusion has a partnership with The School Payment Network, a payment solution built specifically to simplify the way today's public and independent schools take payments for anything.

To find out more information about The School Payment Network, please visit their site (<http://www.mypaynet.com>) and **Click > Contact US.**

Register for an account with School Payment Network using one of the following links:

Schools:

https://schoolfusion.mypaynetapps.com/admin.php?create_account

Districts:

https://schoolfusion.mypaynetapps.com/district.php?create_account

School Payment Network will contact you regarding your custom online payment screen and associated costs.

Use the HTML provided by School Payment to create a payment page in SchoolFusion or create a link directly to your payment screen.
